

POLICE PROBE DEATHS OF TWO IN WRECKED CAR

PUTNAM FARMHAND, WOMAN
DIE UNDER MYSTERIOUS
CIRCUMSTANCES

State police and Parke county authorities were continuing a probe Monday into the mysterious deaths of Clarence Anderson, 52, Putnam county farmhand, and his female companion identified as Mrs. Marie Myers of Indianapolis. The latter was believed to be the victim of murder.

Bodies of the couple were found in their wrecked automobile on State Road 59, seven miles north of Bellmore on Sunday.

Other motorists told the coroner the car went off the road after weaving as if the driver were drunk.

The body of the woman, who was not identified immediately, lay in the back seat of the car. Dr. B. M. Merrell, Parke County coroner, said she had been shot in the chest and abdomen.

The dead man, Clarence Anderson, was employed on the farm of Oscar Clodfelter near Russellville.

Dr. Merrell said Miss Myers' parents in Indianapolis stated that she left home Sunday to be married to a man who looked like a farmer, whose name they did not know.

Dr. Merrell said there were no marks on Anderson's body and the cause of his death had not been determined.

State police and the coroner said it appeared that the woman had been shot to death several hours before the wrecked car was discovered. The cushion had been removed from the rear seat, where her body was found, leading to the theory that she may have been hauled around in the car for some time after she was slain, Dr. Merrell said.

The state police post at Putnamville reported that Ray Setfles, of Crane, Indiana, a brother of Mrs. Myers, planned to go to Russellville during the morning.

Coroner Merrell said police found blood and bullet holes in the kitchen of Anderson's home near Russellville, where they worked as a tenant farmer.

Anderson left a note telling of a frustrated love affair between him and the Myers woman, Merrell said. He said the note indicated Anderson dragged the woman's body out of the kitchen into the car. Her body bore three bullet wounds, and the gun was found in the car.

Anderson's body was taken to Terre Haute Monday, state police said, where an autopsy was to be performed. The Putnamville Post reported at 1 p. m., that no report on the autopsy findings had been received from State Detective Gene Trowbridge, who was assigned to the case.

NET PLAYER HELD

INDIANAPOLIS, Feb. 22 (UP)—Larry Maroney, 19, a Metee high school basketball player, today faced a possible penal term after pleading guilty to a reckless homicide charge in connection with a fatal traffic accident.

Special Judge William Smith said he would take the case under advisement pending investigation. Maroney's car struck David Miller, 61, Logansport, last June 20.

GROUND TO BE BROKEN OCT. 23 FOR LIBRARY

DEPAUW TRUSTEES DECIDE
ON DATE AT MEETING
SATURDAY

DePauw University's trustees Saturday passed a resolution that ground be broken for DePauw's proposed million-dollar library next Oct. 23 during the 1954 homecoming on campus.

Action was taken at the mid-winter meeting of the board of trustees in the Club and was announced by Howard C. Shepherd, board president and chairman of the board at the National City Bank of New York.

The first building to be constructed as a result of DePauw's current development campaign, the library tentatively will be situated at the west end of a quadrangle sided by Harrison and Asbury halls.

To date more than \$1,000,000 has been subscribed toward a first goal of \$1,429,000 in the Greater DePauw Program, a long-range campaign to raise \$10 million during the next 10 to 15 years. Part of the first \$1.5 million will be used for faculty-staff salary increases.

Recently Lilly Endowment, Inc., pledged \$150,000 to the campaign on a conditional basis. The gift will be awarded when the campaign total reaches \$1,350,000.

Nine Killed In State Accidents

Accidents on Indiana highways and streets during the weekend claimed at least nine lives, three of them pedestrians.

The youngest victim was six year old Diana Bright, Indianapolis, who was struck and killed Saturday when she dashed from her mother's side into the path of a truck near her home.

Her mother, Helen, said she prevented a neighbor girl from running into the street but was unable to catch her daughter. Mrs. Bright said the truck driver, Charles Washington, Indianapolis, swerved off the street in an attempt to prevent the mishap.

At Terre Haute, John Gillip, 82, died Sunday of injuries received the night before when he was struck by a car on a city street. Commodore P. Holston, 75, Lewis, was killed on Saturday when he was struck by an auto northwest of Jasonville on Ind. 43.

Four teenagers also were killed, two of them in one crash. Dale W. Moyes, 19, and James M. Collins, 18, both of Vincennes were killed Saturday when a car they were in struck a bridge abutment on Ind. 53 near Washington.

Olsen Fridson, 18, Cedar Lake was killed Friday night when a car in which she rode overturned on U. S. 41 near Crown Point, and Donald Hauger, 18, Connersville, was killed Saturday in a two car collision on a country road near Connersville. Other victims were Dewey Brown, 22, Lyons, killed in a head-on crash of two trucks on Ind. 67 north of Worthington, and Joseph Miller, 38, Muncie, who died Saturday of injuries suffered the night before when his car rolled over on U. S. 36 east of Dana.

STEEL FOR BIG BRIDGE TO COME FROM GARY

GARY, Feb. 22—The 70,000 tons of steel needed for the longest single unit bridge over water will come from the Gary plant of the American Bridge Co.

The bridge now is under construction across the Straits of Mackinac, linking the upper and lower peninsulas of northern Michigan.

The Hoosier part of the big project—fabricating the 70,000 tons of steel, will cost \$44,500,000 and the whole bridge will be about \$80 million. It is to be completed by the end of 1957, and will replace the present ferry service.

When completed the Mackinac Straits bridge will have a single unit over water of 17,918 feet which is greater than the San Francisco-Oakland Bay bridge, which is split in two crossings.

JOINS SCHWABLE AT MARINE TRIAL

MARINE COL. FRANK SCHWABLE (left) talks over proceedings of his "germ warfare" confession trial with Maj. Roy Bley, who has testified that Schwable gave up a chance for freedom to aid him when their plane was shot down over enemy territory. Bley asked to be included in the inquiry of Schwable's false confessions of "germ warfare" while a prisoner of the Reds in Korea. The Marine corps board will now decide whether Bley, as well as Schwable, should be court-martialed for signing the confessions.

Youth Receives 1-5 Year Term

Lawrence A. Lewis, 18, of Cloverdale, was sentenced to serve a term of one-to-five years at the state reformatory in Pendleton on Saturday.

Lewis appeared before Judge John H. Allee in the Putnam circuit court on a charge of petit larceny to which he pleaded guilty. The affidavit against the defendant was signed by Mrs. Joe Curry, who with her husband, operate a drug store in Cloverdale.

Lewis' arrest followed the theft of some money from a purse in the store and a piggy bank from the Curry home a week ago.

Pulnam Farmers Attend Jamboree

Putnam county was represented at the second annual 4-H Corn Growers Jamboree held Saturday at Purdue University.

Eighty-four counties, each with four 4-H club members who had outstanding corn yields, one 4-H club leader and an extension agent were present.

Those attending from Putnam county were Donald Price, Charles Nicholson and Danny Hutcheson, 4-H club members, Norman Evans, 4-H club leader and Tom Hendricks, 4-H club agent.

The 4-H Corn Growers Jamboree was started last year as a project to honor outstanding boys enrolled in 4-H corn club. It is sponsored by the Indiana Corn Growers Assoc. and the fertilizer department of the Indiana Farm Bureau Co-op Association.

Heavy Traffic At TV Tower Sunday

Heavy traffic and resultant congestion occurred again Sunday afternoon on the narrow road that runs north and south past the new 1,000-foot WTTV tower, located southeast of Cloverdale.

Hundreds of autos containing interested sightseers drove bumper-to-bumper and when a car stopped in either line, traffic was tied up until somebody decided to move.

This condition has existed for the past several Sundays and has been especially so since the giant TV tower was completed a couple of weeks ago. Many believe that the only solution to the congestion is to have two state policemen on duty to keep traffic moving past the structure at least until the newness wears off and the number of motorists decreases materially.

The Putnamville Post said Monday morning that they were not contacted by WTTV officials to patrol the road on Sunday. A Post spokesman said that in the past while the tower was under construction, WTTV had requested officers to keep traffic moving as a safety precaution to avoid possible injury from falling objects from the tower.

Hospital Births

Mr. and Mrs. Norman Mynatt, Clayton, a son.

Mr. and Mrs. Louis Sims, R. 4, a daughter.

Mr. and Mrs. John Best, a daughter, Reelsville.

Mr. and Mrs. Marvin Hutcheson, Greencastle, a son.

CONFERENCE WILL BE HELD THIS WEEKEND

20 SCHOOLS FROM FOUR
STATES WILL BE REPRESENTED HERE

Twenty colleges and universities in four states are sending delegates to DePauw University this weekend for the annual mid-west conference of the International Relations Clubs.

An expected 150 students and faculty advisers from institutions in Indiana, Illinois, Wisconsin and Michigan will attend the meetings on Feb. 26 and 27.

The opening session of the conference will be held in conjunction with a special DePauw University convocation featuring an address by Dr. Robert M. Hutchins, ex-chancellor of the University of Chicago and now associate director of the Ford Foundation.

Other main speakers include Richard Friedman, chief of the U. S. State Department's organization liaison branch, and George Beauchamp, national president of the Association of International Relations Clubs from the University of Chicago.

Adviser for the conference is Dr. Wallace B. Graves, assistant professor of political science at DePauw, and two DePauw students—Jack Wood, Franklin, and Nancy Herr, New London, O.—are president and corresponding secretary, respectively, of the midwest conference.

Seventeen discussion groups have been scheduled during the two-day meeting on the economic, military, and political aspects of American foreign policy.

Autos Sideswipe Near Brick Chapel

Two autos were damaged but no one was injured in a traffic mishap just north of Brick Chapel on State Road 43 at 3:40 p. m. Sunday.

Officer Richard Raub, of the Putnamville state police post, reported that the accident occurred when Charles R. Glover, Hillsdale Avenue, Greencastle, driving a 1951 Chevrolet, started to pass a 1950 Plymouth driven by Russell Logan of Lafayette. Logan also started to pass a car ahead of him and as he pulled out his automobile and Glover's machine sideswiped.

There was some damage to both cars.

Motorist Jailed By State Police

Marion C. Beadling, 27, Indianapolis, was lodged in the Putnam county jail at 4 o'clock Sunday afternoon on a drunken driving charge. Beadling was arrested by Officers Grover Vaughn and Richard Raub of the Putnamville state police post.

EXTRA!

BLOOMINGTON, Feb. 22.—(INS)—Paul J. Harrell today asked to be relieved of his duties as athletic director of Indiana University, a job he has held for six years.

ROCKVILLE, Ind., Feb. 22.—(UP)—State police today tentatively identified a decomposed body found in the Wabash river as that of Charles Slotner of Chicago.

Authorities said both firearms and some teeth were missing from the body found Saturday by two fishermen near Lodi. Police said the victim was about 50, and they believed he may have been the object of a search last summer when a man's clothing was found on the river bank about 15 miles from Lodi.

INDIANAPOLIS, Feb. 22.—(INS)—Oral arguments are to be held Tuesday before the Indiana Supreme Court on a test case which will affect 77 Indiana sheriffs.

The high court is reviewing a decision by the Jefferson Circuit Court which holds that a sheriff elected in 1948 is still eligible to serve for eight years between 1950 to 1962.

Guinea pig in the test case is Sheriff Walter A. Sauley, of Jefferson county, but most of the sheriffs will be affected by the decision on a 1948 constitutional amendment.

The Indiana State Sheriff's Association, which is seeking the clarification, holds that the amendment, which changed the term of office for sheriffs from two years to four years, also set up a new system of tenure, and a new definition for term of office.

WILKES-BARRE, Pa. Feb. 22.—(UP)—Authorities blamed earthquakes today for damage to nearly 300 buildings in a four-block area of this coal mining center.

In addition, pavements were buckled and gas and water mains broken by the earth movements Sunday. Most of the damage in the buildings was confined to cracked plaster walls.

W. W. Everett, vice president of the Glen Alden Coal Company, said the tremors had nothing to do with the coal mines which are located about 400 feet beneath the surface of this area.

INDIANAPOLIS, Feb. 22.—(UP)—Lois Juanita Herr, 20, a Purdue University junior from Knox, will be Indiana's ambassador of beauty at the National Cherry Blossom Festival in Washington next month.

The brown-eyed, brown-haired, rosy-cheeked beauty won the Cherry Blossom beauty contest by unanimous choice of five judges during the weekend.

Marilyn Price, Bridgeport, a senior at Butler University, was runner-up, and Carol Jeanne Huber, Saratoga, a senior at Ball State Teachers College, was third.

Haydn A. Curd Gets Promotion

Haydn A. Curd has been informed that he has been appointed divisional manager of the Indiana Ordinary Agency of the Prudential Insurance Company. Mr. Curd will be one of the two divisional managers in Indiana and he will maintain an office in Indianapolis but will continue to reside in Greencastle with his family.

The promotion of Mr. Curd is in recognition of the outstanding job that he has performed since becoming associated with Prudential in July, 1953, according to James Rutherford, vice president in charge of the Mid-America home office of the company, and during this period, in the state topped all other representatives in Indiana for two months. Mr. Curd will continue to represent Prudential in this community in addition to his other duties.

Mr. and Mrs. Curd and their two children moved to Greencastle from Mayfield, Ky., three years ago. They have been active in civic and social affairs of the community and have made many friends since they came here to reside.

U. S. WILL NOT RECOGNIZE RED CHINA -- DULLES

SECRETARY EXPLAINS
STAND TO CONGRESSIONAL
LEADERS TODAY

WASHINGTON, Feb. 22 (UP)—Secretary of State John Foster Dulles sought today to quell congressional fears that the forthcoming Geneva peace conference may be a step toward U. S. recognition of Red China.

He invited 16 Republican and Democratic leaders to the State Department to explain that the Administration is sticking to its non-recognition policy even though it has agreed to confer with the Chinese Communists on Korea and Indochina.

This question of recognition was the toughest Dulles had to tackle in reporting to the Senate and House leaders on the recent Big Four foreign ministers meeting in Berlin.

The United States, British, French and Russian diplomats failed in 25 days of talking to settle the main problems before them, Germany and Austria. But they agreed at the last minute to hold the Geneva conference, beginning April 26, and to invite Red China.

Although the final communiqué specifically stated that attendance at the meeting would not imply the recognition of any of the participating governments, a number of congressmen voiced the fear it might be a foot in the door for Red China.

Dulles will report to the House Foreign Affairs Committee Tuesday and to the Senate Foreign Relations Committee Wednesday. President Eisenhower plans to return from his Palm Spring, Calif., vacation to confer with Dulles Wednesday morning. Wednesday night, the secretary will make a radio-television address to the nation.

Neal Resigns As Athletic Director

Announcement was made this afternoon of the resignation of Raymond R. Neal, Director of Athletics at DePauw University, for the past seven years. He was advanced from head football coach to the office of Athletic Director following the resignation of Donovan C. Moffett. Mr. Neal is completing his 25th year in the school's athletic department.

POLICE PROBE DEATHS OF TWO IN WRECKED CAR

PUTNAM FARMHAND, WOMAN
DIE UNDER MYSTERIOUS
CIRCUMSTANCES

State police and Parke county authorities were continuing a probe Monday into the mysterious deaths of Clarence Anderson, 52, Putnam county farmhand, and his female companion identified as Mrs. Marie Myers of Indianapolis. The latter was believed to be the victim of murder.

Bodies of the couple were found in their wrecked automobile on State Road 59, seven miles north of Bellmore on Sunday.

Other motorists told the coroner the car went off the road after weaving as if the driver were drunk.

The body of the woman, who was not identified immediately, lay in the back seat of the car. Dr. B. M. Merrell, Parke County coroner, said she had been shot in the chest and abdomen.

The dead man, Clarence Anderson, was employed on the farm of Oscar Clodfelter near Russellville.

Dr. Merrell said Miss Myers' parents in Indianapolis stated that she left home Sunday to be married to a man who looked like a farmer, whose name they did not know.

Dr. Merrell said there were no marks on Anderson's body and the cause of his death had not been determined.

State police and the coroner said it appeared that the woman had been shot to death several hours before the wrecked car was discovered. The cushion had been removed from the rear seat, where her body was found, leading to the theory that she may have been hauled around in the car for some time after she was slain, Dr. Merrell said.

The state police post at Putnamville reported that Ray Settles, of Crane, Indiana, a brother of Mrs. Myers, planned to go to Russellville during the morning.

Coroner Merrell said police found blood and bullet holes in the kitchen of Anderson's home near Russellville, where she worked as a tenant farmer. Anderson left a note telling of a frustrated love affair between him and the Myers woman, Merrell said. He said the note indicated Anderson dragged the woman's body out of the kitchen into the car. Her body bore three bullet wounds, and the gun was found in the car.

Anderson's body was taken to Terre Haute Monday, state police said, where an autopsy was to be performed. The Putnamville Post reported at 1 p. m., that no report on the autopsy findings had been received from State Detective Gene Trowbridge, who was assigned to the case.

Twenty colleges and universities in four states are sending delegates to DePauw University this weekend for the annual mid-west conference of International Relations Clubs.

An expected 150 students and faculty advisers from institutions in Indiana, Illinois, Wisconsin and Michigan will attend the meetings on Feb. 26 and 27.

The opening session of the conference will be held in conjunction with a special DePauw University convocation featuring an address by Dr. Robert M. Hutchins, ex-chancellor of the University of Chicago and now associate director of the Ford Foundation.

Other main speakers include Richard Friedman, chief of the U. S. State Department's organization liaison branch, and George Beauchamp, national president of the Association of International Relations Clubs from the University of Chicago.

Adviser for the conference is Dr. Wallace B. Graves, assistant professor of political science at DePauw, and two DePauw students—Jack Wood, Franklin, and Nancy Herr, New London, O.—are president and corresponding secretary, respectively, of the midwest conference.

Seventeen discussion groups have been scheduled during the two-day meeting on the economic, military, and political aspects of American foreign policy.

Autos Sideswipe Near Brick Chapel

Two autos were damaged but no one was injured in a traffic mishap just north of Brick Chapel on State Road 43 at 3:40 p. m. Sunday.

Officer Richard Raub, of the Putnamville state police post, reported that the accident occurred when Charles R. Glover, Hillsdale Avenue, Greencastle, driving a 1951 Chevrolet, started to pass a 1950 Plymouth driven by Russell Logan of Lafayette. Logan also started to pass a car ahead of him and as he pulled out his automobile and Glover's machine sideswiped.

There was some damage to both cars.

Motorist Jailed By State Police

Marion C. Beadling, 27, Indianapolis, was lodged in the Putnam county jail at 4 o'clock Sunday afternoon on a drunken driving charge. Beadling was arrested by Officers Grover Vaughn and Richard Raub of the Putnamville state police post.

EXTRA!

BLOOMINGTON, Feb. 22.—(INS)—Paul J. Harrell today asked to be relieved of his duties as athletic director of Indiana University, a job he has held for six years.

ROCKVILLE, Ind., Feb. 22.—(UP)—State police today tentatively identified a decomposed body found in the Wabash river as that of Charles Slotner of Chicago.

Authorities said both forearm and some teeth were missing from the body found Saturday by two fishermen near Lodi. Police said the victim was about 50, and they believed he may have been the object of a search last summer when a man's clothing was found on the river bank about 15 miles from Lodi.

INDIANAPOLIS, Feb. 22.—(INS)—Oral arguments are to be held Tuesday before the Indiana Supreme Court on a test case which will affect 77 Indiana sheriffs.

The high court is reviewing a decision by the Jefferson Circuit Court which holds that a sheriff elected in 1948 is still eligible to serve for eight years between 1950 and 1962.

Guinea pig in the test case is Sheriff Walter A. Sauley, of Jefferson county, but most of the sheriffs will be affected by the decision on a 1948 constitutional amendment.

The Indiana State Sheriff's Association, which is seeking the clarification, holds that the amendment, which changed the term of office for sheriffs from two years to four years, also set up a new system of tenure, and a new definition for term of office.

WILKES-BARRE, Pa. Feb. 22.—(UP)—Authorities blamed earthquakes today for damage to nearly 300 buildings in a four-block area of this coal mining center.

In addition, pavements were buckled and gas and water mains broken by the earth movements Sunday. Most of the damage in the buildings was confined to cracked plaster walls.

W. W. Everett, vice president of the Glen Alden Coal Company, said the tremors had nothing to do with the coal mines which are located about 400 feet beneath the surface of this area.

INDIANAPOLIS, Feb. 22.—(UP)—Lois Juanita Herr, 20, a Purdue University junior from Knox, will be Indiana's ambassador of beauty at the National Cherry Blossom Festival in Washington next month.

The brown-eyed, brown-haired coed won the Cherry Blossom beauty contest by unanimous choice of five judges during the weekend.

Marilyn Price, Bridgeport, a senior at Butler University, was runner-up, and Carol Jeanne Huber, Saratoga, a senior at Ball State Teachers College, was third.

Haydn A. Curd Gets Promotion

Haydn A. Curd has been informed that he has been appointed divisional manager of the Indiana Ordinary Agency of the Prudential Insurance Company. Mr. Curd will be one of the two divisional managers in Indiana and he will maintain an office in Indianapolis but will continue to reside in Greencastle with his family.

The promotion of Mr. Curd is in recognition of the outstanding job that he has performed since becoming associated with Prudential in July, 1953, according to James Rutherford, vice president in charge of the Mid-America home office of the company, and during this period, in the state topped all other representatives in Indiana for two months. Mr. Curd will continue to represent Prudential in this community in addition to his other duties.

Mr. and Mrs. Curd and their two children moved to Greencastle from Mayfield, Ky., three years ago. They have been active in civic and social affairs of the community and have made many friends since they came here to reside.

U. S. WILL NOT RECOGNIZE RED CHINA -- DULLES

SECRETARY EXPLAINS
STAND TO CONGRESSIONAL
LEADERS TODAY

WASHINGTON, Feb. 22 (UP)—Secretary of State John Foster Dulles sought today to quell congressional fears that the forthcoming Geneva peace conference may be a step toward U. S. recognition of Red China.

He invited 16 Republican and Democratic leaders to the State Department to explain that the Administration is sticking to its non-recognition policy even though it has agreed to confer with the Chinese Communists on Korea and Indochina.

This question or recognition was the toughest Dulles had to tackle in reporting to the Senate and House leaders on the recent Big Four foreign ministers meeting in Berlin.

The United States, British, French and Russian diplomats failed in 25 days of talking to settle the main problems before them, Germany and Austria. But they agreed at the last minute to hold the Geneva conference, beginning April 26, and to invite Red China.

Although the final communiqué specifically stated that attendance at the meeting would not imply the recognition of any of the participating governments, a number of congressmen voiced the fear it might be a foot in the door for Red China.

Dulles will report to the House Foreign Affairs Committee Tuesday and to the Senate Foreign Relations Committee Wednesday. President Eisenhower plans to return from his Palm Springs, Calif., vacation to confer with Dulles Wednesday morning. Wednesday night, the secretary will make a radio-television address to the nation.

YOUTH CENTER

If we build a Youth Center it will take the combined efforts of all of us to make it successful. For this reason, it has to be for everyone. We feel certain that if a Center is built for a select few, either social or sectarian, it will fail—and it will deserve to fail.

Our forefathers, although of differing beliefs, from different walks of life, founded this country with a government based on regard for simple human dignity. Let us follow their example. Let us create a Youth Center for all teenagers. We will need the help of parents, friends, churches, school, civic and social organizations if we are to succeed. Let us

all work together to help all the kids of this city.

Damaging Storm Hits Australia

SYDNEY, Australia, Feb. 22—A cyclone which killed 18 to 20 persons, caused \$2,250,000 in property damages, and brought New South Wales its worst floods in history veered out to sea today.

The storm left thousands homeless and in need of food and medical supplies.

Telephone lines were knocked out. Rail and road transportation were cut.

Sewage, electric and gas facilities were disrupted in many places.

All communication with the north coast was severed, with only amateur radio operators maintaining contact from the stricken area.

Hundreds of thousands of square miles were affected. Homes were wrecked, bridges smashed, thousands of head of cattle destroyed, and many acres of valuable grazing land ruined. Police used small boats and army ducks to rescue hundreds of stranded persons. Others waited patiently for planes of the Royal Australian Air Force to fly in badly needed emergency supplies. Floodwaters reached as high as the first floor balconies of a hotel in Lismore where Queen Elizabeth and the Duke of Edinburgh stayed 10 days ago.

Landslides blocked roads in and around the city after 16 inches of rain fell in 24 hours.

Gls Disperse South Koreans

SEOUL, Korea, Feb. 22—A band of 300 young South Koreans tried to halt a train carrying homeward bound Indian troops to Inchon today but American infantrymen broke up the demonstration with bayonets.

The Koreans, many of them youths of draft age, assembled on railway tracks at Chinchon, north of Seoul, before dawn and built bonfires.

Infantrymen chased the Koreans from the tracks and down steep embankments while the train, with 217 Indians aboard, waited north of the Chinchon station for instructions to continue its journey.

An 8th Army spokesman said none of the Koreans was injured by the bayonet wielding Americans and the train was delayed only 30 minutes.

A company of American military police rushed to the station to reinforce the infantrymen after the Koreans had been dispersed.

The train passed through the station and proceeded to Inchon without further delay. The Indians boarded the troopship Jalaburga shortly after it arrived at Inchon harbor.

South Korean Provost Marshal Gen. Won Yung Duk warned last week that Indians remaining in Korea would be detained until Indians gave assurances of the future welfare of almost 100 unrepatriated Korean war prisoners who asked to be sent to neutral countries.

The South Korean government received notice from the 8th Army that the Indians, former guards of unrepatriated prisoners, would be protected by American troops.

The Chinchon incident was the first attempt by the South Koreans to block the departure of Indian troops.

SECRETARY OF STATE John Foster Dulles returns to Washington from the Big Four meeting in Berlin and is greeted by his sister, Eleanor as he alights from his plane. Dulles grimly warned that Russia has not changed her desire for world conquest. He also said, "We made no progress in uniting Germany and liberating Austria."

IKE BACKS JUSTICE WARREN

At almost the same time a showdown session of a Senate judiciary subcommittee was approving the nomination of Earl Warren as chief justice of the Supreme Court. President Eisenhower issues a firm statement supporting Warren at a news conference in Palm Springs, Calif. The committee's approval in effect rejected 10 unsubstantiated charges made against Warren in a report Sen. Langer (R-North Dakota), allowed to be placed on the group's record. The nomination now goes to the full Judiciary Committee for approval.

RETURN KIDNAPED BOY TO PARENTS

Safe at last, eight-year-old Facundo Bacardi, heir to a Cuban rum fortune, is reunited with his parents, Mr. and Mrs. Daniel Bacardi, after his rescue from kidnapers who held him for eleven hours in an attempt to gain a \$50,000 ransom. The child was taken unharmed from the mountain hide-out where he was imprisoned by an army lieutenant. One of the kidnapers is awaiting trial in a Santiago prison. The other, Bacardi family chauffeur Guillermo Rodriguez, was killed when he made a break for freedom during a re-enactment of the crime.

Meanwhile, Norway has been swept by a sub-zero cold wave. Apparently the sun isn't shining in his land of the Midnight Sun.

President Eisenhower recently went to Georgia—not to play golf

Muzzy Bids Well But Plays Poorly

Mr. Muzzy bid surprisingly well in today's deal to reach a laydown contract of six spades. Unfortunately, he seldom combines good bidding and good play in the same hand, and this one was no exception.

North dealer

Neither side vulnerable

North (Mr. Champion)

South (Mr. Muzzy)

D - A Q 8
C - J 10 3

The bidding:

North East South West

1 C Pass 1 S 2 H

2 S Pass 3 D Pass

4 S Pass 6 S All Pass

When Mr. Abel led a club and Mr. Meek wasn't able to ruff, the contract was ice-cold. But Mr. Muzzy, using some half-knowledge about end-plays which he had acquired, overlooked a simple and eminently logical play.

After winning trick one with the ace of clubs, he cashed the king of spades, then led a small heart from the board and ruffed it. He then led to the king of clubs and ruffed dummy's second small heart. Next he led to the queen of clubs, returned the king of hearts and ruffed it.

POCKETBOOK STRIP?

"This is known as a strip play."

He announced gladly to the assembled kibitzers.

"By that he means stripping my pocketbook," muttered Mr. Champion.

Mr. Muzzy's next play was a pade to dummy's ace. He returned a diamond, intending to put in the eight spot, thus forcing Mr. Abel into the lead with so possible safe return.

But of course Mr. Meek ruined this plan by playing the nine. Mr. Muzzy covered with the queen and Mr. Abel won with the king. He now had a very easy return in the jack of diamonds which forced out the ace. Mr. Meek's ten of diamonds took the setting trick.

ADmits NOTHING?

"Don't trump the king of hearts," said Mr. Champion. "Just let Abel win it with the ace."

"Remember, I had two losing diamonds," replied Mr. Muzzy, angrily.

So Mr. Champion rubbed his head wearily. "I am not suggesting," he said, "that you refuse to play anything on the king of hearts. I am suggesting that you lay the eight of diamonds on it. That would leave you with just ace and queen—and Abel on lead. If he returned a diamond, my contention is that you would have no losers in the suit. If he returned a heart, couldn't you ruff in the dummy and discard your queen of diamonds?"

Mr. Muzzy admitted nothing but he must have been convinced as he did not prolong the discussion.

Club Met At Russellville

On Thursday the Russellville Conservation Club met at the American Legion Home in Russellville.

Twenty-two members were present. The officers are: resident, Harold Gorman; vice resident, Wayne Everman; secretary-treasurer, Joe Ramsey; club delegate, Emert Gardner.

The club was presided over by resident, Harold Gorman. The club decided to raise 360 day old mail to be furnished to them by the Indiana Department of Conservation. Also several members are going to set eggs to hatch.

A film was shown by Victor Walter on wildlife restoration in Indiana.

Coffee and cookies were served. The next meeting will be on Thursday, March 18.

Two Undefeated Teams In State

By Kurt Freudenenthal
United Press Sports Writer

Fillmore, which doesn't even have its own gymnasium, and Mississinewa, which has never lost a game at home, have a state-wide routing section when Indiana's 44th annual high school basketball tourney opens Wednesday.

Both completed their first undefeated seasons last week with 11-game strings, which puts them in a category by themselves, for one of the other 749 clubs in the Hoosier Hoopla can match their records.

Thus, both earned the label "People's Choices" in Hoosierland's No. 1 sports attraction, particularly because they hail from smaller communities and their exploits through the long season are generally overshadowed by bigger "name" teams.

But Mississinewa lets it be known their Indians can play with the best. They go into the Marion sectional not only as defending champions but also favored to repeat. And if they make it, they'll have no worse than a 50-50 chance to reach the "Sweet 16" and advance to the all-important Fort Wayne semifinals.

Mississinewa, formed when East City, Jonesboro and Mill Pwp. consolidated a few years ago, has a 35-home game winning streak. In fact, Coach John Fredenberger's boys lost only two regularly-scheduled games in the past three seasons.

He didn't think they could do it because he lost four players from last year's fine squad through graduation, but now he says, "we'll be tougher than last year because some underclassmen came through for us."

Mississinewa, which gets its tourney start against Van Buren Thursday night, is led by 6 foot 5 Larry Hedden, who averages about 22 points a game, and Dick Smith and Martin Burdette, both 6 feet 2.

Last year they whipped Fairmount for their first sectional crown, then almost bagged the Marion regional. Hartford City stopped them in the overtime title clash, 67-64.

Fillmore has less than 100 students and a first-year coach in Shirrel Alexander. The Cardinals usually practice at neighboring Stilesville and Reelsville but hope to have their own gym next fall.

Winning sectionals is nothing new for them. They waited off with the Greencastle crown in 1949 and repeated two years later. This year they're small, but observers believe they'll make the grade if they can get past the host team. Last year Fillmore lost to Greencastle in the sectional semi-finals, 46-42, and they may meet again this Saturday.

Fillmore opens Greencastle's sectional Thursday night against Russellville.

Hanover Downs Old Gold, 89-86

Hanover College pulled away in the final minutes to hand DePauw an 89-86 defeat at Hanover Saturday night.

After trailing the host team throughout the middle portion of the game, DePauw rallied to deadlock the count at 75-all midway in the final quarter. The teams exchanged baskets until a 79-all count was reached, then Alan Lickliter, freshman from Indianapolis-Washington, hit a jump shot to send the Panthers ahead for keeps.

Bob Schrier, freshman from Indianapolis-Howe, scored 22 points to set a new single-season scoring record for a DePauw

player. Schrier now has 291 points, breaking the previous high of 290, set last year by Kent Guild. Another DePauw player, Gene Loercher, scored 19 to give him a season's total of 286.

Basic Insurance Protection for Home Owners

in a Single Policy!

We are proud to present a new advance in insurance—a single policy, with a single premium, which covers all the normal hazards encountered by home owners.

Under the new Homeowners Policy you can now get—in one package—18 kinds of insurance protection to cover your real property... your household goods... your personal property... comprehensive personal liability... medical payments... additional living expense.

By combining many kinds of protection we are able to offer a single contract at a cost that is within the means of the average home owner. In most cases, the premium charged on the new Homeowners Policy would be less than the total premiums under separate policies.

MARILYN MAKES A DIRECT HIT ON THIS TANK

CURVACEOUS Marilyn Monroe, who thrilled 100,000 GIs in Korea with nine shows, adds a few more admirers by posing in an army tank with a welcome smile from the Grenadiers of the United States 160th and 165th divisions. Marilyn said she had "never felt like a movie star before I came to Korea." Most of those 100,000 GIs are sorry to hear that the glamor blonde is back in the arms of husband Joe DiMaggio.

IN MEMORY

In loving memory of my dear husband John Lancaster, who passed away, Feb. 21, 1951.
What would I give to clasp your hand,
Your happy face to see,
And hear your voice and see your smile
That meant so much to me.
The rolling streams of life roll on
But still the vacant chair
Recalls the face, the voice the smile
Of the one who once sat there.
It is so lonesome here without you
And hard and weary the way
For life has not been the same dear one
Since you were taken away.
And someday we hope to meet you
And never part again.
Sadly missed by Flossie Lancaster and family. pd.

Irish Rose Reverse

PRETTY Jean Lincoln Tanburn (above), a Jew, is free to marry Donelson Morrison Kelley, Jr., a Paraguayan Irishman, without losing her legacy of \$10,000 and \$6,500 a year, under a court decision in New York. Under will of her great grandfather, Abraham S. Rosenthal, a wealthy silk importer, to receive the legacy she would have to marry a Jew of the Jewish faith. (International)

13,287-Foot Dive

THE X marks approximate spot between the Cape Verde islands and Africa coast where a French navy bathyscaphe plunged 13,287 feet to the bottom of the Atlantic, deeper than man has ever descended. The dive, by Commandant Nicolas-Maurice Houot and Engineer Pierre Henri Willm, surpassed the bathyscaphe dive of Prof. Auguste Piccard last summer by nearly 3,000 feet.

Studebaker management and labor join together in a mutual reaffirmation of The Studebaker Corporation's century-old tradition of craftsmanship, in a ceremony inaugurating a quality code program in the South Bend, Ind. plant. H. S. Vance (left) president of Studebaker, and Louis J. Horvath, president of Studebaker Local 5, UAW-CIO, place the first quality seal on a car as it comes off the inspection line. Surrounding Mr. Horvath are members of the Executive Committee of Local 5, who participated in the joint labor-management ceremony.

332 ACRES AND CHATTELS

The undersigned will sell to the highest bidder by the Genuine Auction Method, 5 miles south of Russellville, 3 miles north of Morton, 15 miles north and a little west of Greencastle, 20 miles south of Crawfordsville, a short distance west of Road 43 and about 3 miles north of U. S. Road 36. About 42 miles west of Indianapolis, beginning at 10:00 A. M.

Tuesday, February 23rd, 1954

The following real estate and personal property to-wit:

THE FARM HOME

This farm consists of 332 acres more or less improved with a 7 room house with electric water system; large front porch; closed in rear porch; one barn about 48x60; second barn unfinished about 33x30; large tile poultry house; 3 corn cribs; feed shed; milk house with concrete floor; good driven well; 2 good springs; woven wire fence; considerable merchantable timber — about 100 acres of tillable land and Ramp Creek runs through the farm furnishing fine drainage facilities. It is in the market for a good stock and grain farm out of the high bracket and in a splendid location and one that will produce dividends on the investment then mark this date on your date book and calendar and get ready to bid as it will positively be sold to the highest bidder. Please don't wait and then be sorry. Inspection invited at any time. Owners are going to Illinois where they have had interests. We urge you to take time to inspect this farm thoroughly as we want to sell it at the hour appointed. The personal property sale begins at 10 A. M. and the real estate sale begins at 1 P. M. \$1500.00 cash will qualify any bidder on day of sale. Long time at 5% interest will be given on part. Possession March 15th. Perhaps sooner if purchaser makes final settlement.

PERSONAL PROPERTY

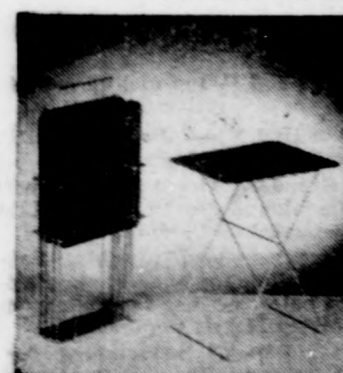

Following is a list of the Chattels to be sold:
CATTLE — 65 head Dairy Cattle; mostly purebred, Ayrshire and Holstein. This is not a purebred registered sale even though most of the herd is full blooded and good ages from 6 mo. up.
HOGS — Some purebred Yorkshire hogs and gifts of the best blood lines.
HORSES — One team of work horses and harness.
MACHINERY — Practically new Corson tractor; seed; Clipper seed cleaner; International No. 30 corn sheller; horse wagon; Hamilton line spreader; John Deere rake; Case tractor; Case cultivator; 2 bottom 14" Case plow; some Case plow mold boards and points; 2 row Case corn picker; N. C. M. Case shire haler; New Idea side delivery rake; heavy duty International disc, almost new; Model 8-N Ford tractor with cultivators and breaking plows; Ford Wagon.
MISCELLANEOUS — Lot of cedar and Locust posts, quantity of lumber, belts; clover seed; several rolls of woven wire; quantity of new barbed wire in rolls; fence stretcher; and many other items too numerous to mention.
FEEDS — 1200 bu. corn in crib; some alfalfa hay; quantity of baled straw.
TERMS on personal property cash. No property to be removed until settled for. Not responsible for accidents or damage to person or property. Remember personal property begins at 10 A. M. Lunch to be served by Ladies Aid of Browns Valley. Missionary Baptist.

Junior Leaders Hold Meeting

The first Junior Leadership organization meeting of the 1954 year was held in the Greencastle court house assembly room on Thursday evening, February 18, at 7:30.

A nominating committee consisting of Janet Houska, Margaret Currie, Art Kirk, Martha Bryan, and Audra Dorsett met

and functioned at 7:00 o'clock in the county agent office.

The officers for the 1954 year will be: Boys President-Bernie Harris, Girls President-Marilyn McElroy.

Vice-President- David Lane, Secretary-Susan Stanger, Treasurer-Diana Steward, News Reporter-Suzanne Johns, Recreational-Marilyn Reaser, Marilyn McElroy, Art Kirk, June Dickey, Kenen Bullerick, Bernie Harris, president, called

the meeting to order and had everyone give their name, township, and grade of school. There were 42 Junior Leaders, Mr. and Mrs. Ward Robinson, and Mrs. Darrell Sanders were guests.

Kenneth Harris, County Agent, announced who would be the leaders of boys and girls in all of the 13 townships. He also gave the requirements for being a Junior Leader or assistant leader. 1. Attend some of the meetings. 2. Fill out a record book. 3. Cooperate with the leaders. A person must be 15 years of age

during the calendar year to be eligible for a Junior Leader but if they are 14 they can be assistant. The application blanks were passed out so they could have their adult leaders to sign. Enrollment week is from March 6-14 and the club must have a meeting to elect officers so that the officers can attend the Officers Training meeting at Greencastle High School on March 31. You can enroll until May 30.

As most everyone knows to take projects to the State Fair they must have their entries in by the 1st of January.

It was decided that the 3rd Thursday of every month was the best for the meeting and that the different communities wanted the meetings at these dates.

It was decided that due to school activities that there would be no meetings during November, December or January.

District Junior Leader Training Conference is to be held March 18 at Terre Haute. One boy and girl from each club will be elected from nominating blanks which the adult leaders will fill out. Also they will choose the candidates for the State Kiwanis which is at De-

Pauw again this year. The Round-up delegates will be chosen at this time.

The meeting was ended with square dancing which was called by Bernie Harris. Everyone had a marvelous time.

STATE GOT DUST BATH
INDIANAPOLIS, Feb. 22.—(UP)—Fair skies and balmy temperatures were predicted for Indiana today following a week-end dust bath that plagued many Hoosier points.

ALIVE, OR IS IT A CRUEL HOAX?

THREE SISTERS of Lt. Richard Farber, believed killed in Korea, look at his photo in Camden, N. J., and wonder if the telegram received by their father is a cruel hoax or wonderful news. It read, "Hello, pop. Will be home Thursday." The Farber sisters are (from left) Frances Brittingham, Amelia Ross and Dorothy Checkley. Wire was signed "Dick." (International Soundphoto)

OFFICER PLAYED A HUNCH, NABBED TWO SUSPECTS

KNEELING IN PRAYERFUL attitude, Otis D. Cagle (left) and Berley Headley await a ride to Los Angeles police station as officer H. L. Holmes holds his gun on them. Holmes was about to put a ticket on the car behind them. He got a hunch, called in the car's license number and sure enough, it was on the wanted list. So he waited till they returned for it, and had that bus stop in front to block a getaway. (International Soundphoto)

Plow faster, easier... for less money!

3 Bottoms Speed Work
Due to the added power of the new Golden Jubilee Model Ford Tractor, it will pull three plows in many soils where only two plows could be pulled before.

DEARBORN ECONOMY PLOWS give you furrows to be proud of... at a price you'll like. "Economy" is this plow's middle name. It's economical to buy, to keep in shape, and to maintain. Gone are tongue, levers, clutch, coil springs and shear pins—pounds upon pounds of parts you don't have to pay for, lift, lug, lubricate or replace. Yet it does all a good plow is supposed to do! Available in 1, 2 and 3-bottom sizes.

The Ford Tractor's rear wheels become wheels for this plow, so plow "suck" or down-pull adds to pulling traction.

"Razor Blade" Shares Save You Money
These shares are so low-priced you discard dull ones—no costly resharpening. "Razor Blade" shares have shown savings as high as \$40.00 per 100 acres plowed, on share costs alone.

CONVICTED OF PLOTTING TO OVERTHROW THE U. S.

MICHIGAN COMMUNIST leaders are shown in Detroit following conviction under the Smith act of conspiring to teach and advocate overthrow of the U. S. government by violence. In left photo, four leave court. In foreground, handcuffed, are Philip Schantz and Saul Wellman. Beyond, being handcuffed, are Billy Allan and Nat Ganley. Right photo, Mrs. Helen Allison Winter, Thomas Dennis, Jr., not shown, also is among the six convicted. (International Soundphoto)

PRESIDENT'S RANCH HEADQUARTERS IN CALIFORNIA

ABOVE: Linemen string additional telephone wires on the ranch of Paul H. Helms (inset), sports enthusiast and head of the Helms Athletic foundation, near Palm Springs, Calif., for the stay of President Eisenhower. The President and his staff will have a temporary headquarters at the Helms ranch while the President is being hosted by Paul G. Hoffman, Studebaker president and head of the Ford foundation.
